• CAUTION •

**THIS FEED CONTAINS ADDED COPPER
DO NOT FEED TO SHEEP OR OTHER SENSITIVE SPECIES.**

Feeding Directions: Ventura 20% Hi-Energy Dairy is designed to be fed to milking animals fed higher levels of corn silage and/or mostly grass forages. High Energy feeds may be necessary to meet the nutritional needs of higher producing animals. May be used for replacement animals.

The suggested feeding program is for use as a guide only. The animal's requirements may change due to breed, environment and management.
