Feeding Directions: Everyday Rabbit Pellets are designed to be fed to most classes or rabbits. Feed an amount of Everyday Rabbit Pellets that the rabbit will clean-up each day. Remove any uneaten feed before adding fresh feed.

Feeding Guide: Amount fed depends on size, age and condition of animal

Small Breeds: ¼ - ½ cup/day

Large Breeds: ½ - 1 cup/day

Always provide plenty of clean fresh water. Feed with good quality Alfalfa or Grass Hay.

The suggested feeding program is for use as a guide only. The animal's requirements may change due to breed, environment and management. Ingredients as defined by AAFCO.
