Feeding Directions: Everyday Formula 1400 Horse Pellet is designed to be fed to horses of all ages with or without hay; however, we recommend feeding hay to help prevent the possible development of various stable vices. Increase the amount of Formula 1400 as the amount of hay is decreased. Free choice salt blocks and plenty of clean fresh water should always be available.

	Lbs of Formula 1400/ 100 lbs Body Weight	Lbs of Hay/ 100 lbs of Body Weight
<u>Maintenance</u>		
Mature Stallions	1/10 – 1/4	1 1/2 - 1 3/4
