Manufactured
by:

148 Longmeadow Road
Taunton, MA 02780
(508) 824-7292

DIRECTIONS FOR USE: Feed to Turkeys that are grown for human food, females from approximately 13 weeks of age to approximately 17 weeks of age; males from 16 weeks of age to 20 weeks of age (or desired market weight) where blackhead is not a problem.

The suggested feeding program is for use as a guide only. The animal's requirements may change due to breed, environment and management.
