January 2021

Raising chickens is rewarding and fun, and we're here to help you along the way!

Attached are calendars of scheduled arrival dates of premium laying hen breeds. **There is a minimum purchase of 6 chicks per customer.** If you would like to get a few other birds on a different shipment after purchasing 6 **this year** from us, you must bring in your receipt from your prior purchase and you will be able to purchase less than 6 (**the receipt is absolutely required, no exceptions**). All chicks are **first come first serve, no holds.** We only order female laying hens from our hatchery and the hatchery is 90% accurate. **The attached schedules are subject to change at any time.** Our chick shipments usually arrive in the morning, however, sometimes extenuating circumstances occur and they arrive later than anticipated. We will post updates on our [Facebook page](#).
