Chick Days 2023

Raising chickens is rewarding and fun, and we're here to help you along the way!

There is a minimum initial purchase of 6 chicks per customer. If you would like to get a few other birds on a different shipment after purchasing 6 **this year** from us, you must bring in your receipt from your prior purchase and you will be able to purchase less than 6 (**the receipt is absolutely required, no exceptions**). All chicks are **first come first serve, no holds**. We only order female laying hens from our hatchery and the hatchery is 90% accurate. Our chick shipments usually arrive in the morning, however, sometimes extenuating circumstances occur and they arrive later than anticipated. We will post daily updates of chick breed availability on our Facebook page.
