*Raising chickens, with their unique personalities, is downright fun & fulfilling, and we are here to guide you along the way!*

**There is a minimum initial purchase of 6 chicks per customer.** If you would like to get a few other birds on a different shipment after purchasing 6 **this year** from us, you must bring in your receipt from your prior purchase and you will be able to purchase less than 6 (**the receipt is absolutely required, no exceptions**). All chicks are **first come first serve, no holds**. We only order female laying hens from our hatchery and the hatchery is 90% accurate. Our chick shipments usually arrive in the morning however, sometimes extenuating circumstances occur and they arrive later than anticipated. We will post daily updates of chick breed availability on our Facebook page. We accept prepaid orders for **TRADITIONAL BREEDS ONLY**, with a minimum order of 12 per traditional breed. All layers will be vaccinated for Marek's. **10% off 24 or more chicks in a single purchase, mix & match breeds!**
